

# Angola

Exhibition of Machines,  
Tools and Accessories

**2009**

19th to 22nd of November  
2009

## ANGOLA:

**PRIORITY MARKET for Portuguese companies**

Angola has one of the economies in the world which has shown significant growth potential, generating business opportunities for companies that develop trading relations with Angolan participants.

## EXPONOR

**OPENS THE DOORS to a market filled with OPPORTUNITIES**

"The Portuguese ambassador revealed (...) that during the visit of José Eduardo dos Santos to Portugal, the opening of a third line of credit, worth 500 million dollars (399 million euros), for investments by Portuguese companies in Angola, will be negotiated. There are currently two credit lines, totalling 600 million dollars (478 million euros)." *In Negócios online, 5th March 2009.*

Take advantage of  
the **BEST BUSINESS CONDITIONS to WORK in ANGOLA**
